SAVED-OLD STUDIO

DR. EARL J. RUSSELL, THE DENTIST OF 24 1/2 WEST MAIN STREET.

Dr. Russell, the state of Missouri, made famous by the "show me" expression, and Champ Clark, present speaker of the house. Dr. Russell came to Newark at the age of 10 years with his parents. Mr. and Mrs. W. G. Russell, and attended the public schools here. While a member of Newark high school, from which he was graduated in 1907, he was identified with athletics in every line and a member of the school's fraternity of Beta Phi. A short time after he finished school here, Dr. Russell entered Starling Medical College and was graduated from the department of dentistry in 1910. He is also a member of the Xi Psi Phi fraternity. Returning to this city he opened an office at his present location, where for six years he has been busily engaged in the practice of his profession. From a one chair office his business grew to the point where it was necessary to install another chair. He enjoys a large practice in the city and is affiliated with the Loyal Order of Moose. He is an ardent supporter of all out-of-door sports and is a fisherman of considerable reputation. He stands for everything which goes toward the betterment of Newark and can always be found at the top of the list of boosters for a "Greater Newark."

ANNUAL OUTING OF MAZEY CLERKS HELD THURSDAY

The employees of the W. H. Mazey company, numbering about sixty were delightfully entertained by the company with an outing on Thursday afternoon.

Luncheon was served at the store by Mrs. Reiberbach, at noon, and then a special car took the party to Eagle farm, the country place of Miss Anna White near Helron. The afternoon hours were enjoyably spent in swimming, and boating. There were games of volleyball and baseball, and a number of races were arranged.

At six o'clock a delicious picnic supper was served on the lawn by Mrs. Reiberbach, and the party returned to Newark at 8 o'clock. The outings are annual events in the store and this year's proved one of the most enjoyable to be held.

BUILT THE SAME SUB-STRUCTURE 35 YEARS AGO

The contract for the Manning street structure, the erection of the east abutment of the bridge, was awarded yesterday afternoon by the county commissioners, there being three bids, J. F. Irwin of Sunbury, \$4,043.20; B. C. Patterson of Vanatta, \$3,126.98, and S. J. White and Dan Coffman of this city, \$3,017.56. The contractors have 90 days in which to complete the work but expect to finish it in less than sixty, providing the weather is favorable.

Contractor White built the abutments for the same bridge in 1881. He has been contracting for fifty years and has built scores of abutments but the Manning street work is the first that has ever had to be done over. However the washing out of the abutment last April was no fault of Mr. White's, as it has stood for 35 years and the changing of the river course driving the swift channel against the east abutment caused demolition.

Lane Brothers have the contract for erecting the steel work of the Manning street bridge and it is hoped that they will be able to get work started within at least sixty days as the bridge was a popular thoroughfare for all residing in the northwestern part of the county and city.

STRIKERS REFUSE TO TALK; MOLDERS ARE STILL IDLE

The utmost secrecy surrounds the actions of the Molders' union, of which 400 members employed at the Wehrle stove plant have been striking since last Monday morning. Daily meetings are being held by the men and officials from the international union headquarters, but the officials so far have refused to make any statement as to the probable outcome of the walk out.

So far the officials say they have been taking care of business of the organization and do not care to state just when they will call on the Wehrle company to adjust their differences.

Vice President Larry O'Keefe, of the International Molders' union who is here meeting with the local organization when seen at noon today, said:

"We are engaged in taking care of organization business at present and I not not care to say anything regarding the situation," Mr. O'Keefe said.

He did not care to state how long the men might remain out of the shop, what the prospects were for their early return to work, nor how long he expected to remain in the city.

Rickett, Baltimore and Ohio engineer, arrested here several weeks ago and given a suspended sentence on a charge of forgery, last Monday pleaded guilty to a similar charge in the Columbus courts and was sentenced to serve an indeterminate sentence in the Ohio penitentiary. According to information from Columbus, Rickett started to serve his sentence last Monday.

Rickett was arrested here on warrants charging theft of a number of Baltimore and Ohio relief checks and then passing them on the local business men. He was tried and given a suspended sentence and then re-arrested and taken to Columbus to answer another charge of forgery.

FIFTEEN DAYS IN CITY; KNOWS OFFICERS ONLY

Michael Sheridan of Pittsburgh
Lands in Jail on First Day and
Returns Immediately When
Ordered.

Michael Sheridan, (no kin of
Chief Sheridan), at his home in
Pittsburgh, heard glowing tales of a
prosperous city located in a valley
somewhere in the state of Ohio and
known as the capital of Licking
County. Michael longed to pay a
visit to the much talked of place.
For several days he searched a map
of Ohio to locate the place he in-
tended making his future home and
then boarded a train for Ohio.

He arrived in Newark the early
part of June. The same day he
started to tour the city but before
he proceeded very far fell a victim
of the wiles of several white coated
gentlemen, who held forth behind
highly polished mahogany? counters.
The same afternoon he received an
introduction to a couple of blue
coated gentlemen, who entertained
him with an automobile ride.

Introductions now were coming
thick and fast for Michael. The next
morning after his arrival in the city,
he was presented to Mayor Bigbee
by a Mr. Clure, proprietor of the
hotel where Michael spent his first
night.

The mayor instantly became at-
tached to the visitor from the
smoky city and invited him to spend
18 days at a large stone structure
in South Third street. Michael be-
lieving of a retiring nature made no ob-
jections and again was given an au-
tomobile ride to his new headquar-
ters. Then after he had sojourned
with a man named Swank for the al-
lotted period named by Mayor Big-
bee, Sheridan was released.

The man from Pittsburgh un-
daunted by the delay of his inspec-
tion of the city took up the tour
where he had left it 18 days before.
Again he met the smiling white
coated men and a short time later
renewed his acquaintance with his
blue coated friends. This morning
he had the honor of again confer-
ring with the Mayor who decided he
had better remain with friend Mc-
Clure to the extent of \$5 and costs.

Michael has been in the much
heard of prosperous city in Ohio for
one month now and still does not
know where the center of the town
is. He has never succeeded in reach-
ing the public square, but at the
present rate of traveling is scheduled
to walk through the court house
yard sometime during the year of
1920.

James Connor, who admits he is
from "N'Yawk" came to Newark one
month ago to work in a rubber fac-
tory. He got along all right until
he says he met a cripple boy living
in West Newark, who wanted to
build a chicken coop. But, he told
Cannon, he did not have money
enough to buy the lumber.

Cannon's sympathy was instantly
aroused and securing a cargo of a
nervous product liquid, started forth in
search of lumber. He met L. A.
Pearson, owner of the Gearwood
building in South William street and
endeavored to purchase several hun-
dred dollars worth of lumber which
was to be used in repairing the
building. Mr. Pearson did not care
to sell and this morning Cannon was
arranged in police court charged
with threatening to burn Mr. Pear-
son's building.

After he had been held to the
grand jury in the sum of \$300 by
the Mayor, Cannon became patriotic
and begged the mayor to release him
so he could go to Columbus and en-
list. But his plea was drowned in
the banging of his cell door.

An assault and battery case and
three plain drunks were disposed of
with a fine of \$5 and costs each,
ending a very busy morning for his
honor the mayor.

DYSPEPSIA OF WOMEN

Special Treatment Required.

Many women suffer from a form of
indigestion or dyspepsia which does not
yield to ordinary treatment. While the
symptoms are similar to those of ordi-
nary indigestion, yet the medicines
usually prescribed do not restore the
patient's normal condition.

There seems to be a kind of dyspepsia
caused by derangement of the female
organism. While this appears to be the
same as ordinary indigestion it can be
relieved only by a medicine which, be-
sides acting as a stomach tonic, is good
for female ailments. Read what such
a medicine did for Mrs. Williams:—

She says:—"Before I began taking
Lydia E. Pinkham's Vegetable Com-

pound I was trou-
bled with dyspepsia
and bearing down
pains in my back
and sides, and after
my meals my stom-
ach would bloat up
till I could scarcely
get my breath. At
times I was so weak
I could hardly stand
on my feet and I
looked hollow-eyed
and my skin was
yellow. Now I have
a good color, have
gained in every
way and can do my
work without any
trouble. I think it
is the best medicine
on earth for stom-
ach troubles of wo-
men.—Mrs. MELLIE WILLIAMS, 21
No. 34 Street, New Albany, Ind.

To Keep Skin In Fine Condition All Summer

It would be much better for the skin
if little cream, powder or rouge were
used during the heated term. Mixed
with perspiration, dust and grime, these
things are anything but beautiful. A
ordinary mercolized wax will do more
for the complexion, and without giving
an oily, streaked, spotted or pasty ap-
pearance. It is the ideal application for
the season, as it not only keeps the
pores clean, but daily removes particles
of scarf skin which have been soiled by
dirt or weather. By constantly keeping
the complexion clear, white, satin, it
does more toward perpetuating a youth-
ful countenance than any of the arts or
artifices commonly employed. One ounce
of mercolized wax, obtainable at any
drugstore, will completely renovate the
worst complexion. It is applied at
night like cold cream and washed off
in the morning.

To keep the skin from sagging or
wrinkling, or to overcome such con-
dition, there's nothing better than a
face bath made by dissolving 1 ounce
powdered saxolite in ½ pint witch
hazel.

The Railroads

B. & O.'s Dividend.
The regular semi-annual dividend
of 2 per cent on preferred stock and
2 1-2 per cent on the common stock
was declared at the monthly meet-
ing of the board of directors (held in
New York today, June 28). The divi-
dends are payable on September 1 to
stockholders of record July 24,
1916.

The statement of the year's opera-
tions, considered at today's meeting
was based in actual figures for 11
months and estimated figures for the
month of June. The comparative
figures for 1916 and 1915 are as fol-
lows:

Total Operating Revenue, 1916, esti-
mated \$111,554,946, 1915, actual \$91,
815,797. Increase \$19,739,149.
Total Operating Expenses, 1916, esti-
mated \$79,528,677, 1915, actual \$68,925,
308. Increase \$10,603,369.
Net Operating Income, 1916, esti-
mated \$32,026,269, 1915, actual \$22,890,
489. Increase \$9,135,780.
Taxes Accrued, 1916, estimated \$2,612,
090, 1915, actual \$2,299,611. Increase
\$312,479.

414,289, 1915, actual \$20,590,878. In-
crease \$8,823,411.
Other Income, 1916, estimated \$5,619,
069, 1915, actual \$5,015,752. Increase
\$603,317.
Gross Corporate Income, 1916, esti-
mated \$35,033,358, 1915, actual \$25,606,
640. Increase \$9,426,718.
Deductions, Interest, etc., 1916, esti-
mated \$20,626,650, 1915, actual \$18,942,
982. Increase \$1,683,668.
Net Income, 1916, estimated \$14,406,
708, 1915, actual \$6,653,858. Increase
\$7,752,850.

Deducting the preferred dividend
leaves \$11,081,226, applicable to the
\$152,000,000 common stock out-
standing; and after payment of the
five per cent on the common stock
there remains \$3,482,922 to be car-
ried to surplus.

F. C. Batchelder.
Frank C. Batchelder, who becomes
vice-president and executive rep-
resentative at Chicago, was born May
27, 1857, at Fall River, Wis. His
parents were Sanford L. and Dolly
Batchelder. He attended the county
and district schools and entered rail-
road service on December 13, 1875, with
the Chicago, Milwaukee and St. Paul
Railway, as a telegraph operator,
later becoming agent, train dispatcher,
and chief dispatcher of this road.
In February, 1888, he entered the
service of the St. Paul, Minneapolis
and Salt Lake (Soo Line) as
chief dispatcher, later filling the po-
sitions of assistant superintendent
and superintendent until July 1,
1890. At that time he entered the
Baltimore and Ohio service as super-
intendent of the Newark division
from 1901 to 1904, becoming, suc-
cessively, general superintendent and
assistant to the president. Mr.
Batchelder was elected president of
the Baltimore & Ohio, Chicago termi-
nal railroad, with headquarters in
Chicago, on April 1, 1910, and presi-
dent of the same road on April 11,
1912.

B. & O. Handles Troopers.

The Baltimore and Ohio Railroad
company today handled the Newark
company of Ohio National Guard
from Monroeville to Chicago. The
train on passenger train No. 4. At
Chicago Junction the troops were
turned over to the Big Four railroad
for their journey into Columbus.

Newark vs. Parkersburg.

The Newark Division baseball
team of the B. & O. Railroad com-
pany will journey to Parkersburg,
W. Va., where they will play the
Parkersburg Division team. Both
teams will try hard to win this game
as it will give one of them the ad-
vantage over the other. Newark is
going with their strongest lineup.

The following Newark division
players are requested to be at the B.
& O. depot at 12:30 a. m. to catch
the train for Parkersburg: Thomas,
Roll, A. Webb, Woodward, Will-
iams, Hummel, Altmeyer, Thorpe,
Smith, Sheeler, B. O. Roll, Paul
Sullivan, Cocanour, Connell, Kieley,
and Wilson.

Movement of Troops to be Secret.
While the movement of militia
from Eastern states continues
through Cincinnati railroad officials
yesterday refused to talk of it, ow-
ing to advices received from Wash-
ington that all such matters must be
kept secret. Pennsylvania troops
passed through Cincinnati yesterday
over the B. & O. S-W., and Mary-
land militia followed later. West
Virginia troops are expected in the
Queen City today on their way
South.

WOMAN NOW WALKS AFTER 4 YEARS

Crippled With Rheumatism Says New Remedy Made Her Well

Brother a Druggist Amazed at Recovery

Bent over, deformed and crippled with the most severe form of rheumatism called arthritis deformans, in such condition that the knees were drawn up and to be able to walk and do her own housework was the experience of this woman. She said:

"Yes, it is true that I am now able to go about the house without assistance, do my own work, sewing, etc., without any trouble, and I give all the credit to Var-ne-sis, after eminent specialists pronounced my case incurable. They told me there was no help for me, but wanted to operate on one knee. I have had this condition for twelve years, and for many years was unable to walk, except with the aid of crutches, when I would drag my feet along the floor. I could not dress myself, and had to be helped from the bed to a chair. For four long, dreary years I never left my home, except to have an X-ray. Oh, it is terrible to think what I have been through. My strength failed rapidly, the stiffness in almost every joint gave me great pain and the chalky deposits in my joints looked like large bunches. In spite of treatments by the best specialists, I grew worse, but I must say it was not their fault, for they tried everything they could think of to help me.

"One day I picked up a paper and read about a wonderful cure Var-ne-sis had made, and I decided to try it. From then on I began to improve, my knees gradually straightened, the stiffness and pain left me, and I have given Mr. Varney my crutches to add to his large collection. This photograph shows me as I was when I commenced to take Var-ne-sis. I am straight and well today. I must say I have amazed my friends, who knew my condition when I started on Var-ne-sis. If anyone doubts the facts of my case, I would be pleased to have them write me. Address Mary McCollan, 94 Main St., Woburn, Mass."

There is health stored in every bottle of Var-ne-sis for rheumatism. Send to W. A. Varney, Lynn, Mass., for the "Story of Var-ne-sis." It's free. Get Var-ne-sis today at all reliable druggists. R. W. Smith Druggist—Adv.

"May we by fellowship be strong to truly serve the public's highest good," is the motto of the City Federation of Women's clubs, and it was delightfully interpreted at the fellowship meeting of the federation, on Thursday when the federation entertained the members with a garden party at "Ingle-side" the beautiful home of Mr. and Mrs. H. S. Fleek in Hudson avenue.

The garden was never more beautiful than yesterday with the great masses of floral beauty, which included great clusters of roses, and other June flowers.

The routine program was conducted in the garden with the president, Mrs. Frank Agnew presiding. The roll was called by clubs and one hundred and ten women were present. A report of the New York biennial meeting was read by Mrs. Frank M. Howard, and the federation hymn in a most impressive way.

Miss Corinne Metz, daughter of Mr. and Mrs. C. C. Metz of North First street, who is librarian for the county library at The Dalles, Ore., gave a most interesting talk on her work. This library is established throughout the country of Wasco, and the entire county is covered by Miss Metz. It is 114 miles long and 98 miles wide.

The concluding talk was given by

IF YOU WORRY, READ THIS

Worry never brought any good to anybody. But you say, "I don't worry because I want to, I worry because I can't help it." Or, "I worry because I have so much to worry about."

We all have our troubles and worry, of course, makes matters worse. The patient generally recognizes this fact without being able to profit by it. The doctor who could meet this nervous condition and cure it would be the most popular medical man alive. But he cannot do it because the form of nervous exhaustion known as neurasthenia, of which worry is a characteristic symptom, must be cured by the patient himself. That is why you should write today for the book "Diseases of the Nervous System" and read the chapter on "Neurasthenia." So many people have read it and written back, "This hits my case exactly, I am giving the treatment a trial and being benefited," that the Dr. Williams Medicine Co., Schenectady, N. Y. has had a lot of these books printed and will send you a copy free on request.

Dr. Williams' Pink Pills are a non-alcoholic tonic, particularly suited for nervous, neurasthenic people. Your druggist sells them or they will be mailed postpaid on receipt of money, 40 cents per box, six boxes for \$2.50.

Mrs. W. A. Monroe, a former Newark woman, who has achieved distinction in educational circles in the state of Washington. Mrs. Monroe is supervisor of education in the state of Washington and is on her way home from St. Louis, where she attended the Democratic National Convention as a delegate at large. Mrs. Monroe in her all too short talk told of bits of interest from the convention and spoke of the beauty of the local federation motto.

Following the program fees were served the guests in the garden. A very interesting and instructive missionary program was given by the King's Herald of the First M. E. church on Thursday evening. It was under the direction of Mrs. Thurman Tower, who has been the efficient leader of this band for four years. About fifty children participated in the program which consisted of readings, dialogues, tableaux, music and drills. Misses Mildred and Emily Close, friends of the association assisted with some excellent musical numbers.

The members of the Elite Club were entertained at the home of Mrs. Theodore Grass in East Main street on the club day. The hours were devoted to contests and guests, Mrs. William McElwain and Mrs. C. S. Wendelton winning the favors. Luncheon was served the members and following guests, Mrs. L. A. Glaub, Mrs. William McElwain and daughters, Miss Mina Walker and Miss Freda Grass.

Mrs. Morgan Devoe was the hostess of the Sunshine club Thursday afternoon at her home on Flory avenue. Mrs. J. Walter Duncan of Clarksburg, W. Va., was a guest of the club. Several selections were rendered on the piano by Miss Sylvia Devoe. A lively guessing contest was held in which Mrs. Mamie Thompson won the prize. A dainty lunch was served by the hostess. The club will meet in two weeks, July 13, with Mrs. Florence Garrison, 90 German street.

Milady's Boudoir

Daily Baths Essential.
Darkness or partial darkness is grateful in Summer and on very hot days, when the house has been well aired in the early morning, to close the windows is found conducive to coolness than to open them for in torrid weather the air outside is much warmer than the inside and, therefore, to shut it out and keep it out is wisdom, even when a slight breeze would seem to argue coolness.

Such a breeze has little about it that is refreshing. Have we not all experienced that sort of weather when an active wind is blowing, yet drying and exhausting everything that it touches? To sit or lie indoors, closed away from sunlight and hot wind is indeed the part of wisdom.

The home keeper or any woman not employed in public, who does not avail herself of the daily weather siesta, is really allowing herself to be robbed of the great aid to health and beauty.

For the epson salts bath use one pound to the bath. Soda two pounds to the bath. Water must be hot. Every part of the body you want to cleanse must be under water and remain there until like water cools. Baths can be taken every day or every other day. The cleansing bath with soap should be taken first.

Deep breathing exercises are, of course, of first importance. Whenever it is possible to do so you should inhale all the pure air your chest cavity will hold and slowly exhale it through the mouth. Dashing cold water over the chest every morning will harden the muscles and flesh.

This exercise will develop the chest muscles surprisingly in a very short time. Clasp the hands at the back of the waist, with palms outward. Stretch the arms downward as far as they will go, with the hands still clasped. Do this at least twenty minutes each evening and night, breathing deeply at the same time.

Our Boys and Girls

Has the birth of your baby been registered? If not, you should see to it that this duty is performed without delay. It may some time be of greatest importance to you, and that there be in existence an accurate legal record of his birth, date, place and parentage.

Such a record serves to establish his age beyond question, and through this his right to the legal benefit of schooling and freedom from labor. It may also serve to establish his disputed inheritance and to establish for him various property or other legal rights which may be in dispute. There are numerous instances where the lack of this sort of record has been the cause of serious losses of inheritance and of educational and other rights.

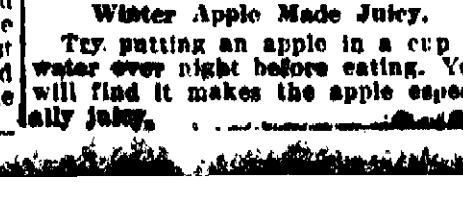

It is, in most states, required by law that the doctor, or other attendant at birth shall report the birth to the registrar of births, but as this duty is not infrequently neglected parents should investigate to see whether it has been done properly in the case of their children. The complete registration of all births is indispensable not only to the individual, but to the state and nation.

Everyday Etiquette

"Will you kindly tell me what is correct in writing a letter to a firm of two women, as the Misses Smith?" asked John. "Should one say 'Dear Madams'?"

"No, one doesn't write 'Dear Madams.' One should use the French Mesdames. That, however, is incorrect if you are addressing unmarried ladies. The French Mademoiselle, or as it is usually written, Mlle., is correct. The plural is Mesdemoiselles, written 'Mlles.'," said his father.

MOTHER "1812" DAUGHTER HAS BEEN LOCATED

Mrs. Esther Beaver of near Utica, in Licking county, woman who made application to join the honor roll of the "real daughters" of the United States war of 1812, Mrs. Beaver, while not a member of the National Society of the D. D., of 1812, is still a daughter of a soldier of the historic war and is entitled to share this honor in Licking county.

"I am a daughter of a soldier of the war of 1812, and have three living sisters and one brother," Mrs. Beaver said today. "My father was born in Rockingham county, Virginia, in 1792, and came to this state in 1814." He received a pension of \$8 a month until his death, which occurred May 6, 1881.

"This was the father of twelve children," she said, "and two of his sons served in the civil war."

"I have the silver Eagle my father wore on his hat while in the service, but his discharge papers were burned some years ago when our home was destroyed by fire."

Mrs. Beaver says she is 68 years of age, and that her sisters are all older than her. She backs up her claim for recognition as a "real daughter" by referring to page 757 of the history of Licking county in 1881.

BRITISH CASUALTIES FOR MAY INCLUDE 466 OFFICERS DEAD

London, June 18.—Casualties among officers in the British army continue to pile up. Published lists for the month of May show 466 were killed, 1080 wounded and 55 missing; a total of 1601. This brings the aggregate losses since the commencement of the war to 27,905, of whom 8674 were killed or died of wounds, 17,424 were wounded and 1970 are missing.

Losses during the month have been heaviest in the Indian contingent in Mesopotamia with 48 killed and 107 wounded. Canadians lost 33 killed and 80 wounded, field artillery 19 killed, 60 wounded; Lancashire 26 killed, 41 wounded; Australians 27 killed, 24 wounded; London regiments 12 killed, 36 wounded, 11 missing; engineers 12 killed, 43 wounded; Yorkshires 14 killed, 28 wounded.

Among officers of high rank, Brigadier Generals Houghton, Heyworth, Rice and Morrison were killed or died of wounds; three other brigadier generals were wounded and eleven lieutenant colonels were killed.

CROWD CHEERED PRESIDENT'S SPEECH IN PHILADELPHIA

Philadelphia, June 30.—President Wilson, describing himself as "in a fighting mood," enunciated to a large crowd in Independence Square his conception of some of the cardinal American ideals. He declared that America, in dealing with other nations, must "vindicate at whatever cost" its principle of liberty, justice and humanity; that "America first" must be translated into action exalting it above all selfish interests, and that the nation's policy and development must be guided by the whole people and not by any small group.

Applause repeatedly interrupted the address. The crowd liked particularly the president's declaration that American principles must be vindicated in the country's foreign relations, which apparently was interpreted as referring to the Mexican situation. At no time, however, did Mr. Wilson mention Mexico or any other foreign nation directly.

THE HOUSEKEEPER'S PROBLEM.

The housekeeper, if she be a mother of a large family, is weighed down with a heavy cross.

When a girl becomes a woman, when a woman becomes a mother, when a woman passes through the changes of middle life, are the three periods of life, when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances. Many Ohio people testify.

Dayton, Ohio.—"It is a pleasure to recommend Dr. Pierce's Favorite Prescription. It was used for female trouble. I had used other remedies with little benefit. I was dragging around and tired-out but when I had taken several bottles of 'Favorite Prescription' I was much stronger and better; it did me more good than any medicine I ever took. I shall always recommend it and will use it again if I need it."

Mrs. NELLIE M. ALLEN, 113 Buckeye St., Dayton, Ohio.

Cincinnati, Ohio.—"I used Doctor Pierce's Favorite Prescription and found it a reliable woman's medicine. I used it. It helped me just as I needed it. I received benefit in every case."

No other treatment is necessary.

Usit is well named the "Wrinkle Chaser" for no wrinkles can exist where it is used. It is guaranteed to contain nothing that will cause hair growth.

Go to your druggist today and get a bottle of Usit for 50 cents. Try it tonight and see how fine your face feels in the morning. But remember Usit is put up only in opal bottles. Take nothing else.

MR. SCHIFF SAYS ADVERTISING PAYS IF IT'S TRUTHFUL

"Advertising pays, providing you do as you advertise," said Mr. A. Schiff to an Advocate man this morning. "This fact," continued Mr. Schiff, "is being demonstrated more and more every day in our store."

Mr. Schiff then went on to say that in last Wednesday evening's issue of the Advocate the Schiff store advertised a final clearance sale of women's and misses' suits at \$5 and \$10. This custom is being practiced by the Schiff store at the end of each season, the purpose being to keep the Schiff store always new. The Schiff store doesn't believe in carrying stock from one season to another, and by the plan adopted Mr. Schiff is able to keep the stock new all the time.

The result of Wednesday's advertisement in the paper was very gratifying. The suit department was very busy all day Thursday, notwithstanding the fact that Thursday at this time of the year is considered a rather dull day, due to the fact that many people are under the impression that the stores are closed. The public long ago learned to put absolute confidence in every statement made by Mr. Schiff, either in his advertisements or otherwise.

WEST VIRGINIA'S GUARDSMEN IN CAMP KENOWAH.

(Associated Press Telegram) Charleston, W. Va., June 30.—The first infantry, West Virginia National Guard, with 940 men and officers, in command of Colonel Clarence F. Joffe, arrived here this morning from points in the northern and central part of the state, and at once marched to Camp Kanawha.

Medical inspection of the Second West Virginia infantry has been completed and practically all of the more than 200 men who refused to take the federal oath a few days ago have now taken it. The Second will be mustered in this morning and leaves for the border tomorrow morning.

PRISONER CRAZED BY ELECTROCUTIONS PAYS DEATH PENALTY.

(Associated Press Telegram) Sing Sing, N. Y., June 30.—Oreste Shillitani was executed in the state prison this morning for the murder three years ago of two New York policemen who were attempting to arrest him for killing a third man in a quarrel about a girl.

Shillitani made no pretense of insanity during the trial but became apparently crazed with terror in the death house a few weeks ago when two other prisoners were executed. A week ago he obtained possession of a revolver, shot and killed one of the keepers in the death house and wounded another and escaped but was recaptured.

CAMBRIDGE WOMAN BINDS SON WHERE FLIES TORTURE HIM.

Cambridge, June 30.—Because her 8-year-old son Joseph refused to hoe potatoes, Mrs. Anna Litton admitted in a justice's court here yesterday that she had punished him by disrobing him, pouring syrup over his body and then tying him to the floor, exposed to flies and ants. She then told her 15-year-old daughter to strike the lad with a strap every time he moaned or flinched. She was heavily fined.

BANDIT RAID WAS FIST FIGHT; TWO SOLDIERS HURT.

(Associated Press Telegram) San Antonio, Texas, June 30.—It was learned today that the report of an attack last night by bandits on the guard of United States soldiers at the bridge over the Medina river at Macdonia, grew out of a fight between two soldiers. According to the report reaching here last night, two Americans were wounded, but investigation shows that no bandits were in the vicinity.

DILLON GETS DECISION IN MORAN BOUT

HOOSIER PUGILIST OUTWEIGHED 35 POUNDS, LEADS OPPONENT HOT RACE.

Starts Blood From Moran's Nose and Cuts Open Left Eye at Close of Tenth Round.

New York, June 20.—Although out-weighted by fully 35 pounds and having a disadvantage of nearly six inches in height, Jack Dillon, the Indianapolis heavyweight, cleverly outfought and outpointed Frank Moran, the Pittsburgh heavyweight, in nine rounds of a 10-round bout at the Federal League baseball grounds, Washington Park, last night.

Moran's weight was announced as 201 pounds, and Dillon's 169. Dillon was the aggressor from the start, although Moran landed the first blow to the head. Moran, instead of playing a waiting game, started off to batter down his opponent, but Dillon was too fast and clever for the big fellow.

Moran swung two hard rights to the stomach in the opening round, but Dillon came back fast with short lefts and rights to the body and face, and at the end of the round Dillon had a shade the better.

In the second round Moran missed several attempts to land his right swing, while Dillon bored in with both hands at close quarters, always having the better of the milling, driving short lefts and rights to the stomach and bringing up snappy right half-arm jolts to the jaw and face.

The third round was the only one in which Moran had the advantage. He drove Dillon to the ropes with left and right smashes to the head and body, and took Dillon across the ribs, bounding him with both hands working at close range. Toward the end of this round Dillon made a fast rally, getting in his short-arm work, but Moran sent two left hooks to the body and a right to the head. At the close of the round Moran seemed to be exhausted.

Dillon rushed and smushed rights and lefts and uppercuts at close quarters, one of his snappy jolts sending the blood flying from Moran's nose in the fourth round. During the next six rounds Dillon always had the upper hand, ducking Moran's swings at times and then rushing to close quarters, where he always land three blows to Moran's one.

Moran tried frequently to get over

a right swing, but never could land it effectively, although several times he got in telling blows on the body with both left and right. At no stage, from the end of the third round, was Dillon in danger, as he evaded Moran's leads cleverly.

Moran tried desperately to land a punch in the tenth round and got Dillon on the ropes with swinging left and right to the body, but Dillon came back at close range again and, with a right uppercut, cut Moran's left eye, so the Pittsburgher left the ring with a swollen nose and his left eye bleeding freely.

EASTERN TENNIS MEN WILL MEET WESTERN PLAYERS.

Cleveland, June 20.—It will be eastern tennis against western style today when the challenge round for men's doubles is called to the court of the Lakeside tennis club in the national clay court tournament. The champion, George M. Church and D. Mathey of New York will be opposed by the challengers, Willis E. Davis and H. Vandeyke Johns of California. The championship match is scheduled at 3:30 o'clock today.

In the singles, play has reached the last of the semi-finals. This match will be between Conrad R. Doyle and W. S. McIlroy, Pittsburgh, and is scheduled at 2 o'clock.

SIXTY PLAYERS IN GOLF TOURNAMENT AT MINNEAPOLIS.

Minneapolis, June 20.—Sixty players today began the final rounds of the National Open Golf championship tournament which is being held at the Minneapolis club links here. Thirty-six holes are to be played today.

Charles (Chick) Evans, Jr., amateur of the Bluewater club, Chicago, had a lead of three strokes over his nearest competitor, Wilbur Reid, of Wilmington, Del., gained yesterday when he turned in a card of 139 for the 36 holes he played. His morning score was 70, two below par and in the afternoon he returned a 69. Reid's score for the day was 112.

HEISEYS AND PIRATES WILL CLASH SUNDAY

The Fitzsimmons team of the Capital City league will play its first game on foreign grounds next Sunday when the team goes to Lancaster to meet the team there which has proved a source of annoyance to the Newark boys all season. Manager Schimpf will take along new players with him. They are Mike Mullen, who played in the Canadian league last season and George Christian. Both of these men probably will be given an opportunity to show their worth against the strong Lancaster bunch.

The Fitzsimmons players will meet at the Fitzsimmons restaurant in South First street Sunday morning at 9:45 o'clock. The start for Lancaster will be made at 10 a. m. The trip will be made in automobiles.

New Players to Go to Lancaster On Next Sunday

Newark fans hunting holiday amusement next Tuesday, July 4, will find it at Wehrle Park when the Fitzsimmons team and the Menzies of Columbus, both of the Capital City league, will play the game. The game will start at 3 o'clock. Manager Schimpf expects to try out two new men at Lancaster Sunday and he believes he has secured the team. Some mighty good ball has been played by this club and fans no doubt will be well repaid for the time spent at Wehrle Park.

Fitzsimmons to Play Mendels In 4th of July Game

The Heisey Diamond 11 team and the Pirates will stage the only ball game in Newark on Sunday, having secured the use of Wehrle Park for the game. It will be called at 3 o'clock and an admission fee of 25 cents will be charged. Both teams have added strength to the batting order by signing new players and a hot contest is anticipated. The Fitzsimmons team is in Lancaster Sunday.

MUTINY IN CREW OF STEAMSHIP ON TRIP TO AMERICA

New York, June 30.—The Norwegian steamship Nordanger, two members of the crew in irons, reached here early today from Mar- seilles. The two men, a Mexican and a Spaniard, armed with knives and firearms, refused to work after the vessel left Mar- seilles and until two days ago when they were finally seized. They were then locked in the hold of the ship's store. The captain ill from lack of sleep, was unable to imprison the mutineers, whose hiding place on the steamship was guarded by confederates. Many of the crew reached New York with cuts and bruises. Once when captured and locked in the carpenter's shop aboard the vessel, the mutineers set fire to the shavings and escaped while the crew fought the blaze. The mutineers were turned over to the police when the vessel reached quarantine.

NATIONAL GUARD RUSH TO BORDER CONTINUES; DELAYED ACTION HELPS.

Washington, June 30.—The Mexican situation stood today virtually where it was 24 hours ago, except that more national guardmen were hurrying to the border and the time allowed Gen. Carranza to declare his intentions toward American troops in Mexico was growing shorter.

With the troops captured at Carranza back on American soil, apparently there was no intention on the part of the Washington government to force an immediate issue on its demand for assurance that there will be no repetition of the attack on General Pershing's forces.

No time limit was set in President Wilson's note making the demand, and there are indications that the administration would welcome further delay of a few days. This would permit not only concentration of a stronger force to meet the needs of actual hostilities, if they should come, but also gathering of supplies, mobilization of transport facilities and strengthening of aerial forces. Army officers believe the advantage of delay to Americans greatly overbalances the similar benefit to Mexicans.

For this reason less impatience that might otherwise have been evident was expressed in official circles today over the delay of Carranza's note. No word of when it would be dispatched had reached Washington early today. There were unofficial intimations that the communication would affirm the Mexican government's intention to attack American troops in Mexico in any direction other than toward the border. If the language is not hostile, however, the way may be left open for further diplomatic discussion of the question.

The American government has forwarded to General Carranza another communication calling attention to numerous reports of seizure of American property by Mexican officials. In most cases seizure was made after the American owners fled from the country.

MOTOR AMBULANCES FOR BORDER TROOPS; HOSPITALS READY

San Antonio, June 30.—Adequate preparations to preserve the health of troops now moving to the border practically have been completed. Base hospitals capable of caring for 500 patients each have been established at San Antonio and Fort Bliss. There also is a smaller base hospital at Douglas, Ariz. Arrangements have been made to establish other base hospitals at Fort Crockett, near Galveston, Eagle Pass, Laredo and Nogales. Camp hospitals have been established all along the border. In the army there are seven field hospital companies and seven ambulance companies. The national guard will add to this force 22 field hospitals and 22 ambulance companies. Steps have been taken to equip all field ambulance companies with motor ambulances and each field hospital will be given a motor truck.

Amusements

Buckeye Lake July 4. The management of Buckeye Lake Park is arranging for a fine display of fireworks for the Fourth, next Tuesday. The "makes" for the spectacle reached the park yesterday morning in a big box car. The fireworks consists of a number of set pieces, one of the most attractive being a large American flag, which is produced in natural colors of fire. A large barge has been secured and the fireworks will all be shot from it out in the lake, thus eliminating any danger and at the same time making the view good for all who are at the park.

Alhambra Tonight and Tomorrow. There comes a time in the life of every girl when she pictures herself a lovely lady and the object of some dashing, bold knight's adoration. She shivers with apprehension at the thought of the burly villain into whose clutches she falls, and then glows with maidenly pride as she pictures her lover rushing to her rescue.

"In Silks and Satins," the delightfully charming romance in which little Marguerite Clark is being starred at the Alhambra. Dainty little Miss Clark is transported to the romantic days of the past through the medium of an old diary which she finds on the eve of her intended wedding to Felix Breton.

Nancy Boyer. Manager Fenberg of the Auditorium says he is going to resign his position and all over the rush this morning for seats for Nancy Boyer, the popular little actress who will make her farewell appearance here next week. Miss Boyer comes with a lot of new plays, scenery and stage accessories, etc., and if present indications do not fail she should break all former records for Newark as the boxoffice from 10 a. m. until this paper went to press was the scene of much activity in those who wished to secure good seats for Nancy's entire engagement.

For her matinee opening next Monday Miss Boyer will offer Henrietta Crossman's famous play, "Shams of Society," tells a vivid story of the social climbers of New York's upper set. The leading character, Katherine Van Riper, played by Nancy, shows the foibles of a seeker of empty social honors. Frivolity, thoughtlessness and cold calculating selfishness are the qualities which mark the leading character until finally there is an awakening and a repugnance of the emptiness of her existence is forced upon Katherine. Being a society play, unusual opportunity is given Miss Boyer for the wearing of gorgeous gowns. Monday night Miss Boyer's company will offer Grace George's great play, "A Woman's Way."

Auditorium, Sunday. Harold Lockwood and May Allison, the two distinguished screen stars, who were recently added to the long list of artists now appearing with Metro, will make their debut on the Metro program in "The Come-Back," a five part production which will be shown here at the Auditorium Sunday only. Those stars will be seen with Metro exclusively in the future, and special features, with an eye to their peculiar talents, have been selected for them.

"The Come Back" is a strong story of how a dissipated young man, just out of college, sees the error of his way, and goes to the

A Simple Remedy Increases Bodily Strength and Mental Activity in a Week

Plain Liquid Iron-doe Most Rapid Blood, Nerve and Body Builder, May Strong Vigorous People Once Weak and Nerve Shattered.

"Did you know?" said a well known physician "that there are tens of thousands of people in America today who through carelessness and ignorance of the laws of nature have lost strength, energy and ambition and have worried along only 50 percent efficient when they might easily have been just as vigorous, keen minded and prosperous as the successful people they envy most."

People who lack strength, are nervous, rundown, depressed mentally and who have not sufficient ambition to do the work they ought to do, and who cannot think of the future without fear and dread are just the kind of people who should get

Auto Races Popular.

Mansfield, Tiffin, Marion, Lima, Findlay, in fact nearly all cities of any importance in the state, have arranged auto races on the local tracks. They have been drawing thousands of spectators and at Kenton recently it is said that over 10,000 paid admission to see the dare devils spin around the half mile dust tracks. Newark had a chance for the auto races but fair ground officials were advised not to lease the track for fear an accident might occur making the agricultural board liable for damages.

To Incorporate Hotel.

Members of the Marion club met recently and subscribed for stock for a new hotel in the city bearing that name. It is to cost \$150,000 and will be a credit to the men who are promoting it. Nine incorporators have been named, all of whom are influential citizens of the steam shovel city. The government census gives Marion a population of 28,000—a phenomenal increase, as it has only been a few years since Marion could boast of 10,000.

The Tiffin Races.

The Tiffin races are to take place July 11 to 14, and special \$1,000 stake purses are announced. The Marion races close today and there has been a \$1,000 stake purse each day, that of the Chamber of Commerce being given today. Newark offered three \$1,000 stakes but they did not fill, the time being too short.

Hospital Social Tonight.

The garden party scheduled for this evening on the Kibler lawn in Granville street, will be held at the First M. E. church instead, on account of today's rain. The girls of the Twentieth Century club, who are giving this party for the benefit of the baby ward of the City Hospital, have sold more than 500 tickets.

Standard Bearer.

The Standard Bearers of the First M. E. church, will meet Saturday, July 1, with Mrs. E. V. Bowers, 12 St. Clair street. Note the change of place.

Rain Was General.

There was quite a downpour of rain for over an hour this morning and it was said to have been general over the country. The rain will greatly assist all crops, fruit and vegetation as it is the first that has fallen for several days.

Miss Showman Taken Home.

Miss Ethel Showman, who was injured in a motorcycle accident a week ago, when Howard Loughman was killed, was removed in Bradley's ambulance last evening from the City Hospital to her home two and a half miles north of Newark on the Mt. Vernon road. Miss Showman's condition while considerably improved, however, is such that she will be confined to her home for some time yet.

Removed From Hospital.

Mrs. C. A. Bauer, of 40 North Morris street, who was taken to the City Hospital, Tuesday evening suffering from a fractured hip received in a fall at her home, was removed in Bradley's ambulance last night from the hospital to the home of her daughter Mrs. W. T. Howard, 40 North Morris street.

Mullen Improving.

Frank Mullen, who had his left arm dislocated at the American Bottle company, Wednesday, when he fell from a platform, is improving, although it will be several weeks before he will be able to return to work.

Will Locate Here.

Dr. Victor Turner, a son of the late Dr. William S. Turner, is home from Baltimore where he has been an interne in the Johns Hopkins University. Dr. Turner will locate in Newark. He is a graduate of Denison and received a degree at Yale.

Charm of Novelty.

"Why do you insist on taking summer boarders?"

"I like to have 'em around," replied Mrs. Cornetson. "It's a comfort to have somebody criticise the table besides my own family."—Washington Star.

One human generation is figured at about 25 years. One fly generation is about seven or eight days.

1st: Michelin Red Rubber Tubes are compounded of certain quality-giving ingredients which prevent them from becoming brittle or porous and which preserve their velvety softness indefinitely.
